## Ladies Fellowship (monthly)

Ladies Fellowship is a monthly social event where RRBC women and their friends gather around the table and share their lives through caring conversation, encouraging words, and unspeakable laughter. Restaurant locations vary and each person picks up their own tab.

Lots of "LOVE" & "LAUGHTER" around the table at The Sherwood

## Bible Studies~ Book Discussion Groups (weekly)

Bible studies and/or book discussion groups gather weekly (at the church or in someone's home) for a time to focus on the Word and what God is doing in individual lives. Our ladies especially like the "roundtable" sharing and prayer time where we acknowledge our praises and the needs of our ladies, their friends and families, as well as our church.

**Women's Retreat** (annually)

An annual retreat is planned to give our ladies a time of refreshment and renewal ... a special time to break away from the busyness of life to draw closer to God and each other. A long weekend is planned around a specific focus/Bible study and there is lots of learning, loving, and laughing to be had by all!

## Women on Mission ~ A WMU Women's Discipleship Group (monthly)

This group of ladies is committed to equipping adult women in becoming active disciples of Christ as we live on mission for Him. Our purpose, through mission action projects & ministries, prayer, giving, and Bible study, is to reach the lost with the Gospel.

## Meals for Shut-ins Ministry (bi-monthly)

The ladies of RRBC gather every other month to prepare a meal for folks who may be homebound, at home caring for a loved one, or someone that just needs an extra bit of tender loving care. Meals are prepared in the church kitchen by volunteer "cooks" and hand-delivered to the assigned shut-in's door by voluntary "drivers". On the menu this day was: baked chicken, summer succotash, baked beans and strawberry cream cheese dessert! Yum!!

**Prepared & served with love ...**

## Ladies Luncheon & Other Special Events (quarterly/bi-annually)

Ladies Luncheons and other special events are a larger gathering of our women and their invited guests. These gatherings are usually planned with a purpose of celebration, specific focus, and fun. Luncheons/special events usually include a wide array of food, a keynote speaker, special music, Biblical focus, and fun activities. It is always an enjoyable time for all!

### Ladies Winter Tea 2024

From fancy tables to festive finger-sized canapés

A warm welcome and special entertainment by Alice Cunningham

An enjoyable time was had by the 67 women that attended (friends, co-workers, and church family)!

## MissionCrafters (monthly)

You don't have to be able to knit, crochet, or even sew to join this group. These ladies are always busy with some type of craft or sewing project to help others. The items may be given to different individuals in need or agencies and healthcare facilities to aid them in taking care of the sick and/or the less fortunate. Some of the items include: Pillows for the Dialysis Center, Love babies for Brenner Children's Hospital, Fidget aprons for Memory Units, Pink pillowcases and neck pillows for the Cancer Center, Toiletry bags for W-S Rescue Mission, various baby items including burial buntings for Newborns in Need, Evangelism Christmas ornaments, Tray favors for Assisted Living facilities, and so much more! From sewing ... crocheting ... gluing ... or stuffing pillows ... there is a task that fits any skill-level!

**Stuffing and sewing pillows for The Winston-Salem Dialysis Center**

**Blankets, bibs & Baby Burial Buntings for Newborns in Need**

**"Christmas in a Nutshell"  
Evangelism Ornament**

### **Cards & Visits for Homebound Ministry** (as needed)

Do you have the gift of verse or encouragement? This is a great area of ministry for our women to use their talents to offer encouragement, healing prayers, birthday greetings, or even a thank you to those who need an up-lifted spirit on their faith journey. Planned visits of at least two ladies are also made to individuals and families to offer a listening ear and personal support.
